The **Music Licensing Team** is responsible for the placement of Sony's front line and catalogue artists in film, TV, advertisements, video games, live theatre, and online. As a Music Licensing intern, you will have the opportunity to observe and assist the Music Licensing Team in the day to day activities of the Licensing Department, including:

- Participating in music pitch sessions
- Creating and distributing artist e-blasts to clients, and music supervisors
- Doing research related to artists, songs and placement in Film, TV and advertisements
- Responding to client inquiries by telephone, and email
- Learning about various grid and filing systems
- Updating social media platforms (i.e. Twitter)
- Understanding how our licensing website is maintained

Ideal Candidate:

- Enrolled in a Post Secondary program with a focus on business, entertainment, licensing or marketing
- Social media and computer savvy
- Creative, with a passion for music
- Detailed oriented
- Professional, with exceptional interpersonal skills
- Self-starter, team player
- Strong desire to learn
- Knowledge of basic aspects of music licensing including publishing, and other rights holders is an asset

The internship will operate within normal business hours and candidates should be available to participate in the program at least 2 days a week.

Benefits:

While the internship is unpaid, interns receive a per diem to help cover the cost of transportation and meals.
